

CISO Toolkit – Regulations and Compliance

A CISO-developed resource to empower your team.

Scroll down for links to Guidance Document(s) and Resources

The CISO-developed resource toolkit on Regulations and Compliance provides CISOs with a comprehensive guide to navigating the complex landscape of cybersecurity regulations and standards. This toolkit offers resources on implementing security controls, conducting risk assessments, and documenting compliance efforts to ensure adherence to applicable laws and regulations.

Toolkit Summary

ESTIMATED LABOR COST SAVINGS: \$21,375 - \$42,750

(Based on a range between \$75-\$150 per hour for a single FTE)

Title	Document Format	Document Type
CISO Developed Guide to SEC Cybersecurity Regulation	PDF	Primary Guidance Document
CISO Developed Guide to NIS2 Directive	PDF	Primary Guidance Document
Guidance for Completing Form 10-K Item 1C Cybersecurity	PDF	Supplemental Resource
ISO-27001-2022-Statement-of-Applicability	XLSX	Template

The Value of the Toolkit

The Regulations and Compliance Resource Toolkit is an indispensable asset for CISOs and their teams, offering the following key benefits:

- **Comprehensive Coverage:** Addresses all aspects of regulatory compliance, from identifying applicable regulations to implementing compliance programs.
- **Practical Usability:** Provides templates and checklists for conducting regulatory assessments, developing compliance programs, and monitoring compliance efforts.
- **Enhanced Compliance:** Helps organizations meet regulatory requirements for cybersecurity, data protection, and privacy.
- **Strategic Insights:** Guides on emerging regulatory trends and challenges, such as the GDPR and the CCPA.
- **Increased Collaboration:** Fosters alignment between IT teams, security teams, and legal counsel, ensuring a comprehensive approach to regulatory compliance.
